O R D E R:

The Ministry of Civil Aviation (MoCA), Government of India released the National Civil Aviation Policy 2016 (NCAP 2016). Two of the key objectives of NCAP 2016 are to “enhance regional connectivity through fiscal support and infrastructure development” and to “establish an integrated eco-system which will lead to significant growth of civil aviation sector, which in turn would promote tourism, increase employment and lead to a balanced regional growth”. In this regard, MoCA has envisaged a Regional Connectivity Scheme (RCS or the Scheme) for the country.

2. The primary objective of the Scheme is to facilitate / stimulate regional air connectivity by making it affordable by supporting airline operators through (1) concessions by Central Government, State Governments and airport operators to reduce the cost of airline operations on regional routes and (2) financial (viability Gap Funding or VGF) support to meet the gap, if any, between the cost of airline operations and expected revenues on such routes.

3. After careful examination Government hereby agreed to enter into an MOU with Govt of AP and Govt of India and Airports Authority of India for enhancing regional connectivity through fiscal support , infrastructure development and to establish an integrated eco-system which will lead to significant growth of civil aviation sector.

4. The Managing Director, Bhogapuram International Airport Corporation Limited, Hyderabad shall take necessary action in the matter accordingly.

5. This order issues with the concurrence of Finance Department vide their U.O.No.44027/286/2016, dated:20.09.2016.
